

Material Safety Data Sheet (MSDS) - RAPAN® MUD

Date of Revision: 17/01/'2008

SECTION 1 – DISTRIBUTOR DETAILS

Product Trade Name:

Rapan® Natural Mud

Chemical Name or Synonym:

Rapan Sulphide Silt

Importer/ EU distributor:

Medicina (UK) Ltd, London, UK

Telephone:

0044 208 2052369

Importer's Address:

PO Box 54797, The Hyde, NW9 1GA, United Kingdom

SECTION II - HAZARDOUS INGREDIENTS

Non Hazardous Ingredients

SECTION III - PHYSICAL DATA

Appearance: homogeneous soft pliable mass

Colour: black and dark grey

Odour: hydrogen sulphide

pH: 7.6-7.7

Ash content: 82.8-88.7%

Weight: 1.4-1.8 g/dm³

Humidity: 22.46 -48.15%

Solubility: Complete

SECTION IV - FIRE AND EXPLOSION DATA

Not

Special Procedures:

No special procedures required.

Unusual Fire / Expl Hazards:

None known.

SECTION V - HEALTH HAZARD DATA

The product contains no hazardous material

Eyes: Not classified as eye irritant

Skin : Not classified as a primary skin irritant or corrosive material

ACUTE HEALTH EFFECTS / SYMPTOMS:

Not known.

CHRONIC HEALTH EFFECTS / SYMPTOMS:

Not known.

CARCINOGENITY DATA:

NTP: Not known

IARC: N

OSHA: N

OTHER: N/A

SECTION VI - REACTIVITY DATA

No hazardous reactions known

Stability:

Normally stable

SECTION VII - SPILL OR LEAK PROCEDURES

Spillage Management:

Clean up spill with absorbent material.

SECTION VIII - SPECIAL PROTECTION INFORMATION

Respiratory:

Not required

Eyes:

Rinse with water for 3 minutes in case of eye contact.

Clothing / Protective Gloves:

Not required

Ventilation:

No special precautions.

SECTION IX - ADDITIONAL INFORMATION

Safe Handling and Storage: Store in a closed container

SECTION X – TRANSPORTATION INFORMATION

DOT Hazard Class:

Non-Hazardous (Not Regulated)
